

We use a love of books to open the magical world of tales and stories to children whilst at the same time enriching their language skills, developing their fine motor and spending Time Together with them. This writing approach immerses children into a world full of imagination where anything can happen and often does.

The progress children can make through Drawing Club across all areas of child development is exceptional with the bonus of building confidence and joy, using high quality resources.

Drawing Club is a true adventure, based around the Golden Blend of picture books, tales and animations, it involves a short period of Time Together as a whole class followed by time with children exploring their ideas and creativity.

- Immerse children in the world of story
- Share a treasure trove of vocabulary with children to open the playground of language to them
- An opportunity to create a library of progress that can be astonishing
- Develop children's creativity and imagination to show them that they are extraordinary
- It gives children age-appropriate practice that is highly engaging and grounds children in the joy of book snuggling.
