

The Kids Lunch Co.

The Kids Lunch Company are delighted to be your new school lunch provider from September 2024.

We will be supplying your child's school with a fresh, wholesome, delicious & reliable buffet style lunch service.

Cold lunches are served in a fun market style buffet so the children can choose the food that they would like to eat.

Alongside the sandwich, we provide fresh fruit and salad crudités daily, along with a selection of snack cheeses, yoghurts and savoury snacks.

Allergies/ Specific Diet Requests

If your child has an allergy or a specific diet request (e.g. Sandwiches without butter, brown bread only etc.) then please complete the Specific Diet request form and return to us or hand in to your school office.

All lunches for children with allergies will be delivered into school in an individually labelled bag. Specific sandwiches will be labelled with your child's name.

About Us

The Company was founded 21 years ago by two Mums with children in a local school where there was no lunch provider. The Kids Packed Lunch Company, as it was branded then, started in the founders' own domestic kitchens providing cold, buffet style lunches into a few schools in Marlow, where other parents and children were facing the same challenge.

Since the introduction of the Government's Universal Infant Free School Meal scheme in 2014, the company has had an organic growth.

In 2020 we moved into our first commercial premises. As a small independent company, we have always been able to offer a reliable, personal service with the quality of our meals at the heart of our ethos. Our team is still exclusively made up of parents who understand the needs of both parents and children during their time in education.

Ordering

There is no need to pre order your children's meals. Your child can choose daily from the selection provided. Each sandwich has a fun sticker on denoting the filling making it quick and easy for your child to identify which sandwiches they like to eat.

Our sandwich and roll fillings include, chicken, tuna mayo, egg mayo, cheese, cream cheese & cucumber, smoked salmon & cream cheese, and marmite.

Please don't hesitate to contact us with any queries or concerns, we understand that little children can worry about food & will do all we can to help.
