

SUMMER SHOP

We are predominantly an online business, however we will be opening our office over the summer to anyone who would like to come along and purchase uniform. Opening times will be available on our website soon.

To avoid congestion, you will need an appointment to visit. These can be booked via our website from mid-June.

Location & Parking:

We are opposite Neptune and have 2 dedicated parking spaces (clearly marked). If these are unavailable, you can park by the open air pool.

Access: Entrance is via the main black door and take the stairs up to the first floor.

To order uniform or book appointments, visit
